ABOUT ROLLING GREEN COUNTRY CLUB

Founded in 1924, Rolling Green Country Club is a private golf course located in Arlington Heights and is one of the oldest country clubs in the Chicagoland area. Because the natural beauty and wooded terrain have been carefully preserved over the years, Rolling Green is a beautiful way to experience the game of golf.

*Please contact Anita Vardijan at 847.791.1653 with questions.

The day is \$150 per person and includes: golf, golf cart, alcohol on the course, cocktail reception to conclude the event which includes hors d'oeuvres and a cash bar.

On course competitions include:

- straightest drive
- longest putt

- closest to the hole

All proceeds are going to Saint Mary Nativity Capital Campaign and a scholarship recipient to attend Providence Catholic High School.
